Dear Mr. Ullrich:

Enclosed is an application from our Task Force, which is the recognized CAG for the Velsicol Chemical Superfund Site, for a Technical Assistance Grant.

We hope to receive the funds to pay for technical advise for the community both to review clean-up and plan for redevelopment as clean-up is completed. Should you have questions regarding this grant application, please call me.

Thank you for your assistance.

Sincerely,

Edward C. Lorenz
